Sparse Crowd Hears Speeches

Candidates for offices in the student government appeared at an assembly in the main theater Tuesday as the race for election drew to a close.

Speaking before a smattering of students some 20 candidates aired the major problems the college now faces and presented their solutions to these problems.

Presiding over the gathering was Student Body President Bert Phillips who introduced all the candidates running for class offices, Representatives At Large, Student Activities Chairman, Associated Students Treasurer, Associated Students Secretary, Vice-President of the Associated Students and Student Body President.

After welcoming the attending members of the student body President Phillips urged them to consider the qualifications of the candidates seriously before casting their vote. He also reminded the candidates that win or lose, he "expected to see each one active next semester in student affairs."

Among the major issues discussed by those running for office was the need for improved communications, increased student participation in school activities, more adequate budgeting and distribution of college funds and the improvement of the school food service.

Cited as a good example of the need for better student participation as well as improving college communications was the poor attendance of the assembly by members of the student body. President Phillips postponed the opening of the meeting, which was scheduled to start at 1 P.M., and asked the candidates to try to bring more students to the theater.

Verducci Appointed Daly City Mayor

Joe Verducci, State's athletic director and head football coach, added another title to his long list April 16, when he was appointed Mayor of Daly City for a one year term. Verducci has served two years of a four year councilman's term to which he was elected in 1952.

A former football hero at the University of California, where he was one of the smallest men ever to don a pair of cleats, Verducci was agreed on as successor to Anthony J. Gaggero by the council.

From now on until a year from now, it's no longer "Hey, Coach," but "Hey, your Honor," when addressing Mayor Verducci.

Vote Results Aired Tonight

Candidates will be quivering in their shoes and dancing to the music of Manny Maniates tonight, when Beta Chi Delta presents the annual "Election Ball."

Election results will be announced at the dance and most of the candidates will be present to hear the results along with any of the student body which is interested in the preliminary election.

With dancing from 9-12, the "Ball" will be held in the women's gymnasium and the new dance rules passed by the Board of Directors will apply to all comers.

One of the rules which will apply states that one person in each couple must have a student body card of San Francisco State or of any other college, or must have an alumni card in order to gain admission to the dance. Stags however will be admitted up the presentation of a student body card.

Admission (in addition to the student body or alumni card), will be 90 cents a person, or $1.80 per couple.

The rules were established as an attempt to cut down the trouble from heavily imbibing outsiders who had recently been invading the dances and damaging property.

Recreation will enter the dance picture when Theta Sigma Rho sells cakes during tonight's proceedings Members of the recreation Honorary will pass out the pastry during the evening.

Planning the "Election Ball" were members of the dance committee: Willis Wood, Dale Christensen and Dick Shoemaker.

Editors Petitions

The Board of Publications last week changed the editorship of the Golden Gator to a one-year, instead of a one-semester position. The term of the editor will begin in the fall of this year.

Petitions are now open for the positions of Managing Editor and that of Editor of the newspaper. Both terms will be for the period of one year with the exception of the summer sessions.

Fifth Amendment Bill Will Highlight Debate

Congress will convene tomorrow morning and voting will get underway with a full agenda of bills before both houses. Senators and Congressmen from Northern California will assemble in the Social Science building for the general meeting at nine o'clock.

Mock Congress brings 150 students together to debate the bills aimed at investigating practices of Congress. Each college is responsible for sponsoring a bill, and leading the discussion. The bill that prohibits the use of the 5th Amendment will receive a great deal of attention by both Democrats and Republicans.

The morning meeting will open with the presentation of the colors by an Air Force ROTC color guard. And chaplains Booker Anderson in the Senate and Norman Roddick in the House will offer the prayer before the business of the day begins.

Eight representatives and two senators from Stanford, Cal, USF, Humboldt State. City College, COP, Santa Clara, St. Mary's, Stockton JC, San Jose State, Menlo Park JC, and the Graduate Statesmen from CAL will be in session all day.

In the Senate, Dr. George Outland, a former congressman, will be an observer during the morning session. The following State participants are: President Pro-Tem, Allan Trimble and clerk, Erika Winup.

In the House, Dr. Dean Cresap, from San Jose State, will be an observer and give his criticism and suggestions at the end of the morning session. Speaker of the House is Terry Arnold from San Jose State, with Bob Cannon assisting. Clerk of the House is Dorothy Kostriken.

The delegation from State includes as Senators, Frank Malagnini, Bill Wahl, Cliff Custer, Catherine Wood. Representatives are, Frank Dear, Will Finck, Charles Fesler, Albert Sturges, Dale Christensen, Lawrence Kenney, Bob Frelow and Temple Broz.

At the close of the congress the bills that passed both houses will be sent to California Congressmen to show them the feeling and trends in college students thinking concerning current congressional problems.

State Oked by Accreditors

Two of the three reports of last month's accrediting teams are now on President Leonard's desk. Favorable to State, they give a clean slate to the faculty and staff of S.F. State.

Three teams were here March 15-17 to evaluate the college in all departments. They were: the Western College Association committee headed by Dr. Foster Strong, dean of freshmen at Cal Tech. This committee reviewed the entire program of the college and reported to the regional association.

The second was the State Board of Education's visiting committee headed by Dr. Edward Lee, Dean of the School of Education at UCLA. Object of his committee's visit was to study S.F. State and judge the teacher credential program to see if S.F. State should offer all teacher and service credentials.

The last group has not submitted their report to President Leonard. This group had two chairmen: Dr. Reuben Manske of Oregon College of Education at Monmouth and Dr. D. A. Armentrout of Colorado State College at Greeley.

Both committees praised the General Education program and were very complimentary of the faculty morale.

SWAC Exams

Examinations for persons who wish to be delegates to the Student World Affairs Congress convention, will be given April 27. Contact Dr. Sumner for further information.

Statute Changes on Ballot

The following revisions to the Constitution of the Associated Students were initiated by the Board of Directors, and scheduled for a student vote on April 29 and 30.

Golfmen Cop Fifth in Playoff

Gator golfers won no titles but gave a good accounting of themselves last week in the eighth annual Northern California Intercollegiate Golf Tourney which was won by Stanford as a team and by Chuck Van Linge, also of Stanford, as an individual. State took fifth place in team honors.

Van Linge took the title in the finals on April 17 by defeating Ernie George, San Jose State freshman, 3 and 2.

Stater Monte Nevis pulled one of the tournament's biggest upsets on April 16 in the first round match play when he eliminated John McMullin of Modesto J.C., who had on the day before, on the first day of the tournament, chalked up the best competitive round ever shot on the tough Stanford golf course when he scored a six under par 65. Nevis waxed McMullin 5 and 4. McMullin had been junior champ in 1953.

Nevis and another Gator, Bob Moniz, had qualified the first day of play with a 75 and 76, respectively.

Nevis met defeat the same day he triumphed over McMullin, when he was beaten in the second round in afternoon play by Stanford's Bob Sims, 3 and 2. Moniz was eliminated in the first round by Van Linge, 4 and 3, while other Staters, Win Howe in the first flight, and Dick Kucich in the third flight, were winning and losing, respectively.

Howe had beaten Bob Badger, 2½ and 2, while Kucich was beaten by Chet Harvey, 2 and 1, Howe advanced into the second round that afternoon with a win over John Diffenderfer, 3 and 2.

Howe was finally defeated in the finals by Carl Kovisto, 1½ and 1.

FINMEN MEET SACTO

State's swimmers engage Sacramento Jr. College this afternoon in the home pool at 4:15. On Thursday, April 29, they journey to Treasure Island to meet the Treasure Island Sailors. Starting time of the meet will be 7:30 p.m.

To Cal Poly 88-43 Trackmen Lose

State's varsity trackmen received a jolting 88-43 shock at the hands of the Cal Poly Mustangs here last Saturday. The Gators were able to score only two firsts besides copping the relay in 3 minutes, 30.3 seconds. George Von Arx threw the discus 129.5¾ feet to get the only undisputed first for the locals. State's Johnny Mathis and Al Desin tied Cal Poly's Arrechea in the high jump at 6' 2".

Taking seconds for San Francisco were: Elmore in the 100; Leonard in the 880; Gurule in the pole vault; Franklin in the javelin; and Conover in the discus.

Thirds were made by Gators: Elmore in the 220; Kelly in the 440; Quick in the mile; Fairbanks in the 2 mile; Mason in the low hurdles; Landers in the high hurdles; Beedle in the shot-put; and Ellis in the javelin.
